March to the Market & Recovery Fair

At the Rochester Public Market
(March begins at the Main Street Armory)

Saturday, Sep. 15 • 8:30 am–1 pm

Come Out and Help Spread the Message
of Unity, Recovery & Hope!

And join us for a community cookout after the march.

We will be meeting at the Main Street Armory and marching in unity to the public market where there will be an area with tables for all of our organization's flyer/information along with GMRCO representatives to engage with the public. We are asking everyone to wear either a purple shirt or your organization's apparel if you prefer. Please distribute widely—there's strength in numbers!
